TO: Potential Sponsors and Exhibitors for 2018 Annual Meeting

FROM: Miguel E. Cabanela, M.D.
Managing Director

DATE: June 2017

Mid-America Orthopaedic Association invites you to join us in the quest of our mission. The mission of Mid-America Orthopaedic Association is to serve its members through outstanding educational and fellowship opportunities and to provide value-added services, at the annual meeting and throughout the year.

Mid-America Orthopaedic Association is comprised of 1,300 physicians residing in the 20 central states of the U.S. The sole purpose of the organization is to provide an annual scientific meeting for the members. The quality of this meeting has gradually increased over the years to the point that it is now the preferred educational meeting for many of our members. The meeting attracts an average of 375 orthopedic surgeons and typically includes 200 podium presentations, 100 posters, symposia, workshops, and special courses. There is a Presidential Guest Speaker, three Classic Speakers, a Rapp Lecturer (a subject on the “cutting edge of orthopedics”), and a Steel Lectureship on a non-orthopedic subject. In addition, there will be a one-day pre-meeting course co-sponsored by the Mid-America Orthopaedic Association and the International Congress for Joint Reconstruction. The topic at the 2018 meeting will be “Important Hip Topics: Cradle to Grave”. This CME event will include didactic lectures and engaging interactive case-study workshops. This pre-meeting course has been a staple of our meeting and has been well attended and highly successful.

There are many opportunities available for your company to participate in the MAOA 2018 Annual Meeting to be held April 18-22 at the Hyatt Regency Hill Country Resort, San Antonio, Texas. These include:

- Exhibit
- Workshop
- Company-sponsored lunch
- Mobile Lab
- MAOA/ICJR Wednesday pre-meeting course
- Advertising in the preliminary program
- Sponsor the annual meeting and/or education programs

Complete the enclosed applications and return them by November 1, 2017. If you have any questions, please feel free to contact our office.

BENEFITS OF EXHIBITING

The Mid-America Orthopaedic Association’s Annual Meeting is composed of scientific material concerning all disciplines of orthopedic surgery presented by leaders in the field, members, and residents. It is a popular forum of education for both specialists and generalists. Some DOs, allied health professionals, and medical students also attend. It has gained a reputation of high quality due to the expertise of the presenters and the emphasis on audience participation. Continuing medical education (CME) credits are offered. During the meeting, MAOA can help your company in the following ways:

Dedicated Time with the Attendees

Your company representatives will have the opportunity to interact with the MAOA meeting attendees during the Welcome Reception, continental breakfasts, coffee breaks, and the special Exhibitor Reception held in the exhibit hall on Thursday evening. During the reception, registered physicians and their families will visit you at your booth while enjoying a refreshing drink and a bite to eat.

Free Pre-Conference Attendee List

Exhibitors will receive a complimentary list of pre-registered attendees approximately four weeks before the meeting. You can use this list to promote your products/services in advance and potentially boost traffic at your booth.

Attendance at the Scientific Portion of the Meeting

To better prepare and equip your sales force, MAOA welcomes and encourages your registered representatives to attend the scientific program portion of the meeting. This will enable your company to gather the most current and relevant information in the orthopedic field, further build rapport with the attendees, and gain a competitive advantage in the industry.

Acknowledgement in the MAOA Annual Meeting Mobile App

Your company will be listed on the MAOA Annual Meeting Mobile App along with contact information, web site address, and a brief company description.
